Irish Blessing

May you live as long as you want and never want as long as you live!!

Irish-American Heritage Month

Irish or not, many don green on March 17 to celebrate St. Patrick's Day. What most don't know is that each year since 1991, the American president has proclaimed the entire month of March as Irish-American Heritage Month. It's a time when, by presidential decree, "we reflect on proud traditions handed down through the generations, and we celebrate the many threads of green woven into the red, white, and blue."
