

Charitable Gift Annuities

Are you looking for a secure source of fixed income while helping Villa St. Benedict Foundation to further our mission?

One solution is a **charitable gift annuity**. With this financial vehicle, you transfer property/cash to Benedictine Health System, who then pays you a fixed income for life and then transfers the remaining assets to the Villa St. Benedict Foundation. You receive a charitable deduction for your gift and a portion of your income stream may even be tax free.

Your charitable gift goes to Benedictine Health System, who manages your annuity,

Paying you a **fixed income for life**,

..and paying Villa St. Benedict Foundation the remainder of your annuity, making **your charitable gift** a reality.

Villa St. Benedict Foundation
....caring for seniors
