January Birthdays

In astrology, if you were born between January 1st and 19th, you are a Goat of Capricorn. Goats are the most stable and sure-footed of astrological signs. Reliable, economical, practical, and organized, they make good multi-taskers and politicians. Those born between January 20th and 31st are Aquarian Water Bearers. Aquarians have attractive personalities, vivid imaginations, strong intuition, and a thirst for knowledge. They also share a strong desire to help humanity and create unity. Some of note:

New Year Cheer

At the sound of the tolling midnight bell a brand new year will begin. Let’s raise our hopes in a confident toast, to the promise it ushers in. May your battles be few, your pleasures many, your wishes and dreams fulfilled. May your confidence stand in the face of loss and give you the strength to rebuild. May peace of heart fill all your days and serenity grace your soul. May tranquil moments bless your life and keep your spirit whole.
