In the United States, **Flag Day** is celebrated on June 14th. It commemorates the adoption of the flag of the

United States, which happened that day by resolution of the Second Continental Congress in 1777. In 1916 President Woodrow Wilson issued a proclamation that officially established June 14 as Flag Day, and in August 1949, National Flag Day was established by an Act of Congress. Flag Day is not an official Federal Holiday; however, it is at the President's discretion to officially proclaim the observance. On June 14, 1937, Pennsylvania became the first (and only) U.S. state to celebrate Flag Day as a state holiday. The largest Flag Day parade is held annually in Troy, New York and typically draws 50,000 spectators.
