## September Outings

**Million Dollar Quartet\*\***  
Lunch at Harner's  
Paramount Theatre

**Wednesday  
September 13th**  
10:45am-5:00pm  
Cost: \$45

It all begins in the Sun Records recording studio in Memphis, Tennessee. Up and comer Jerry Lee Lewis is recording songs with rockabilly king Carl Perkins when already iconic Elvis Presley stops by the studio with his girlfriend. Nominated for three Tony Awards, including Best Musical and a win for Best Supporting Actor, *Million Dollar Quartet* features some of the biggest and best songs of all time, including "Peace in the Valley," "Blue Suede Shoes," "Folsom Prison Blues," "I Walk the Line," "Hound Dog" and "Great Balls of Fire." This is the show that ran in Chicago from 2008 to 2016 and spanned more than 2,500 performances. Critics called it "the most exuberant theatrical event," "dazzling from first beat to last" and "the best live rock 'n' roll show I have ever seen." It is the third longest-running show in Chicago theatre history.
